Phytomer Facials

Available extra with all Phytomer facials R 110

Phytomer's signature facial treatment includes a unique Phytomer back massage & self-heating mud on the spinal column that stimulates the reflex zones & detoxifies the body to ensure better product penetration. A "Sea Mist" spray creates a seaside atmosphere where you can relax and escape the hustle & bustle of everyday life!

Purity R 230/1h

This treatment targets and is highly effective for problem skin with pimples, black heads, acne & very oily skin. Retail range highly recommended for long-lasting results

Hydration R 230/ 1h

For all skin types. This facial offers immediate long-lasting moisture due to an exclusive marine extract Pheohydrane. The facial products adapt to each skin type for improved efficiency & high tolerance.

Whitening R 230/1h

The gentle alternative to micro-dermabrasion to clear the skin from an overdose of sun: Control & normalize the production of melanin, prevent & neutralise the appearance of sun pigmentation & dark spots on the skin, brightens the epidermis, restores lost radiance to the complexion & gives the skin a porcelain-like appearance.

Anti-Ageing R 260/1h

This is the ultimate treatment for mature skin. It helps to diminish the appearance of fine lines & wrinkles and prevent skin from ageing. Softens & hydrates existing wrinkles & improve tone and colour of skin

Laser Facial R 250/1.15h

A full moisturising facial with 15 minutes of low level, high intensity laser treatment.

Gamma Hydroxyl- R 615 for 50ml

Gamma Hydroxy is a powerful ONE-STEP resurfacing cream with the continual skin renewing action of powerful hydroxy acids that work 24 hours a day like a time released peel gradually resurfacing the skin, day after day without soreness or down time. Gamma Hydroxy can be used to achieve glowing skin, refined pores, and a reduction in the appearance of wrinkles, freckles and age-spots. It can also visibly improve skin tone, clarity, and even scarring, all from one cream!

TheraVine Facials

Balancing R 230/1h15

This facial uses specially selected aromatic essential oils for restoring balance to the skin. A deep pore cleansing will also gently remove surface impurities.

Hydrating R 230/1h15

This facial allows for deep relaxation with the aromatic scent of essential oils designed for deep hydration of the skin. A mask, rich in Pinotage grape-seed extract, is applied over essential oils to bond moisture molecules, which promote a skin which is soft to the touch.

Delux Anti-Ageing R 260/1h30

In this replenishing treatment which helps smooth out wrinkles and fine lines, using various specialised skin boosters and anti-ageing botanicals-a specialised face mask is applied for powerful penetration and intense hydration.

Aroma Anti-Wrinkle R 260/1h30

You will receive a non-invasive massage, working all the superficial and deeper muscles of the neck face and scalp. A muscle relaxant ampoule is then worked into the skin and this treatment can help to reverse the adverse effects that have already occurred in the facial skin, the muscles of the face are relaxed, resulting in the reduction of wrinkles and easing expression lines, leaving the complexion looking rejuvenated and fresh

Other Facials
